

IBILTA 2026 Sponsorship Prospectus

We are thrilled to invite you to sponsor the 2026 International Block and Intensive Learning and Teaching Association (IBILTA) Conference and IBILTA Excellence Awards.

The IBILTA Story

IBILTA began as a conversation between faculty at block and intensive-based institutions in Australia, North America and China. Although geographically disparate, each institution were on similar journeys in terms of pedagogy, experience, discoveries and issues. As the conversation grew, so did the desire to reach out to others treading the same path by seeking to:

1. Advance scholarship and practice in block and intensive-mode pedagogy, education and research;
2. Share and disseminate block and intensive-mode education knowledge and practice;
3. Build networks and promote greater collaboration between the association's Members and its various stakeholders and alliance partners.

IBILTA Conference 2026

Conference Overview

September 30 – October 1, 2026 | Online Conference

This two-day online conference brings together practitioners, leaders, researchers, and partners from across the field to connect, reflect, and shape what comes next. Designed as both a learning experience and a shared moment of community, the conference centers on collaboration, real-world insight, and future-focused dialogue.

Conference Themes

Sharing Practice

Participants will explore practical approaches, tools, and methodologies currently shaping work in the field. Sessions emphasize applied learning—what is working now, how challenges are being addressed, and how practice continues to evolve across different contexts. This theme highlights peer-to-peer learning and the exchange of actionable knowledge.

Sharing Stories

Storytelling sits at the heart of the conference. Speakers and attendees will share lived experiences, case studies, and reflections that capture both successes and lessons learned. These stories foster connection, build understanding across perspectives, and ground innovation in real human experience.

Looking Forward

The conference creates space to imagine the future together. This theme focuses on emerging trends, opportunities, and strategic directions, encouraging participants to think boldly about what lies ahead. Conversations will explore how the community can collectively respond to change, influence progress, and build sustainable pathways forward.

Why Sponsor?

As a sponsor, your organization will be positioned at the center of a highly engaged, values-driven audience. Sponsorship offers visibility across the full conference lifecycle—from pre-event promotion to live sessions and post-event engagement—while aligning your brand with collaboration,

innovation, and leadership. Sponsors play a vital role in supporting accessible, high-quality programming and meaningful community exchange.

Key Benefits of Sponsoring IBILTA Conference 2026:

1. Supporting innovation and celebrating excellence in Higher Education

An increasing number of universities and colleges across Australia, Asia, Europe and the USA are adopting block as they respond to government and community pressure to provide Higher Education models that meld seamlessly with the demands of 21st Century student life.

IBILTA seeks to advance scholarship and practice in block and intensive-mode education and research. The academics from these leading institutions will be discussing teaching approaches and innovation.

The awards night will recognise excellence in teaching, learning and research. This is an opportunity to acknowledge and shine spotlight on the innovation and leadership in Higher Education.

2. Gain insight into Higher Education Sector

Your organisation will gain valuable insights into the newest learning and teaching approaches to higher education. This information will provide you with insight about Higher Education institutions needs and how to promote your services/products to align with these demands.

3. Brand exposure in social media, website and during the conference

Attendees will take part in engaging in showcase presentations, workshops and stimulating debate in order to encourage innovation in Higher Education. Your support will provide you with the chance to showcase your organisation during these presentations. Being involved in the IBILTA 20246 conference will give your organisation prominent exposure. Your brand will be displayed throughout the event. Your brand will be aligned with innovation and leadership in higher education.

The basic sponsorship package includes the sponsor's logo on the conference website with a link to their URL, Company Logo to be displayed during presentations, a Company logo on conference sponsor slide.

Opportunity to address local and international higher education institutions

Currently, we have IBILTA memberships from a number of universities across the world including Victoria University (Australia), University of Montana Western (USA), Aquinas College, University of Suffolk (UK), Colorado College (USA) and more. Therefore you have an opportunity to connect with an international higher education community and promote your organisation.

As a sponsor, you will be given the opportunity to **showcase your services and/or products**. All sponsors will be permitted to have a company display set up promoting their organisation. The in-person interactions will help you reach your target audience.

4. Associate brand with success and excellence

By sponsoring this event, you will gain exposure to prospective customers and will be demonstrating to the audience your brand supports higher education and innovation. Your brand will be associated with the success of this international research conference.
